

ELLIE BURTON

SKILLS

Glassblowing | Mould Making | Mould Blowing | Cold Working | Assisting | Basic Workshop Maintenance | Basic CAD | Excel | Word | Organisation | Metalwork | Ceramics

I specialise in hot glass and glassblowing. I graduated from De Montfort University in July 2017 and whilst there, I fell in love with glass and have developed a passion for the craft.

EXPERIENCE

Assisting and Making | Devereux & Huskie

I have spent time with James Devereux and Katie Huskie assisting with making commissioned pieces for artists. I also currently produce my own work here

Work Experience | London Glassblowing | August 2016 & April 2017

I spent a total of four weeks working with the team at London Glassblowing. I assisted in the production of commissions and gallery pieces. The glassblowers at London helped me greatly to develop my current skills. I also had the opportunity to do some paid assisting work with Louis Thompson.

Work Experience | Rothschild & Bickers | September 2015

I spent three days working with Rothschild and Bickers in Hertfordshire, assisting in the production of their bespoke lighting range, as well as helping with cold working and packing orders.

EDUCATION

Design Crafts | July 2017 | De Montfort University

2:1
